It will be accessible to the local 4-H Association Executive Committee within a reasonable time frame when required to fund 4-H activities/projects. The Ontario 4-H Foundation (through the Guelph Community Foundation) aims to be able to provide a rate of return that is superior to the GIC rates

currently being offered by conventional financial institutions. The Local 4-H Association Investment Account (LAIA) would be administered by the Ontario 4-H Foundation for local 4-H Associations.

A LAIA Deposit Form (#6.46) is used to describe the arrangements of the investment and lay out the responsibilities of both the Foundation and the local 4-H Association. It will ensure the investment is appropriately managed and used for the purpose agreed to and that there is a routine accounting of its performance and use.

Additional details regarding the LAIA process can be found within Ontario 4-H Foundation LAIA Deposit Form #6.46, and the accompanying Frequently Asked Questions (FAQs)

Contributions to the Local Association Investment Account

1. Local 4-H Association can contribute funds between April 1 and May 31. The Ontario 4-H Foundation would receive and accumulate local 4-H Association funds in the LAIA until such time as the funds would be transferred to the Guelph Community Foundation (GCF).
2. Funds are housed and recorded with the GCF as an investment for a minimum of 1 Year (July 1 – June 30). Management fee charges are allocated to this account similar to those management fees paid to the GCF by the Ontario 4-H Foundation endowment funds.
3. The minimum start-up amount required is \$5,000 with increases being \$5,000 increments thereafter.
4. The funds are viewed as a “flow through” and managed by the GCF and subject to the normal management fees.

Withdrawals

1. Annually, the local 4-H Association will be asked if they wish to withdraw or add to the LAIA. If a local 4-H Association requests that their funds remain with GCF, the Ontario 4-H Foundation is obliged to fulfill the local 4-H Association’s request.
2. Local 4-H Association funds can be withdrawn upon filing a request in writing between April 1 and May 31 which is **at the same time** using the Ontario 4-H Foundation Fund Withdrawal Form (#6.47) the local 4-H Association requests withdrawals of the interest from their Local Association named Endowment funds.
3. When a withdrawal is requested, the local 4-H Association will receive principal plus accumulated interest, less management fees.
4. Local 4-H Associations must spend the funds withdrawn on local activities that benefit 4-H Ontario volunteers and/or members

Communication and Reporting

1. Each local 4-H Association’s balance would be individually identified however the funds would be managed as a group.
2. For the purposes of this policy, an inactive/dormant Association Account is defined as one without activity or communication from the Local Association Executive for ten (10) consecutive years. The act of determining if an Association is deemed inactive should be documented in the Ontario 4-H Foundation Board minutes. In this case, the funds will be transferred to a Deferred Contribution Account within the Ontario 4-H Foundation. These funds could be awarded to the Ontario 4-H Council to fund a project that fits the core values of 4-H.
3. Annually, the Ontario 4-H Foundation will report to the local 4-H Association on the details of the fund.

4-H Ontario Policy Manual

4. The procedure for calculating each Association's pro-rated share of the investment income and management fee will be as per the named Association Endowment Fund calculations.
5. An agreement will be signed between the local 4-H Association and the Ontario 4-H Foundation outlining details of the investment contributions, withdrawals and reporting.

Implementation date of the LAIA is April 1, 2014.

B-TO-05 - Withdrawals from Local Association Endowment Funds

The Local 4-H Association Endowment Funds were created in 2008 when the Ontario 4-H Foundation allocated \$5,000 to each Association to establish their own Endowment Fund. Interest Earned and internal donations to the Fund can be used to support 4-H volunteer and /or 4-H member Activities. However a minimum of \$5,000 must be maintained as an account balance at all times as these funds belong solely to the Ontario 4-H Foundation.

Therefore only funds in excess of \$5,000 can be spent on 4-H Activities. Unlike, the Local Association Investment Account which was set up to enable investments for shorter terms (5-10 years), the Local Association Endowment funds were set up to promote further long term investments from local Associations. The intention of contributions over and above the original \$5000 was to build a safety net for emergency purposes of Associations or for strategic initiatives.

For Associations with Registered Charity status, funds in excess of \$5,000 can be utilized on any worthwhile project including 4-H activities, 4-H building projects or any initiative agreed upon by the relevant 4-H Association.

Each year, in conjunction with the 4-H Conference and Annual General Meeting, each Association Representative at the local 4-H Association receives a copy of their Endowment Fund Report from the Senior Manager Finance. This report is a multi-year summary containing information such as the Balance, External donations received during the previous 12 months, Guelph Community Foundation gains or losses on the account from the previous year, fees deducted for administration, the interest earned on the Audited Balance credited to the account, any disbursements to the 4-H Association for the year and a year-end balance.

The interest rate to be paid for the successive year is reviewed annually in November by the Ontario 4-H Foundation.

This Withdrawal Form is used to make withdrawals as outlined below:

1. The Local 4-H Association submits a request using the form outlining the amount and the purpose of how the funds will be used. For example the funds must be used for 4-H member or volunteer activities only.
2. Provide an outline/plan detailing how the funds will be spent. (Optional for those with registered charitable status).
3. Where a gift agreement is in place for all or part of the funds, the terms in the gift agreement must be honoured. Where a gift agreement is in place, the Foundation will transfer the funds if the local Association was a signatory on the original gift agreement or signs the application to withdraw indicating they will honour the original gift agreement.
4. Funds can be spent any time during the year but the request should be received by May 31.
5. A signed copy of the minutes of the Local Association meeting where the decision was made indicating the approval of the amount requested and the purposes of the request is required to be sent with the form.
