

New Volunteer Orientation: In-person Sessions

New Volunteer Orientation in-person sessions run from 7 - 9pm.

Registration Details

Please register directly with your Coordinator, Volunteer Support at least **one (1) week** before the date of your preferred training session, using contact information listed here. Registration will ensure we have your updated contact information and can relay information regarding changes to session dates, times or location. If sufficient registrations are not received or withdrawn, the session will be cancelled.

New beginning in 2019: All new 4-H volunteers will be required to complete the Canadian Centre for Child Protection Commit to Kids online training. This is mandatory training that all 4-H club leaders and volunteers working with or in direct contact with 4-H youth must complete as part of their screening process. Upon successful completion of the online training, a certificate will be issued.

NOTE: A minimum of 6 participants is required for an in-person training session to be held, and 4 participants for a webinar. Please register early!
