## **Mt Elgin 4-H Club—**

These past couple of months, Mount Elgin 4-H has been making and learning about pizza. We had 6 meetings and 1 achievement day. Every meeting, we go from 7 to 9 o'clock and we did something different. The first meeting, we chose people to be president, vice president, secretary, treasurer, and press reporter. We then made monkey bread pizza and garlic sticks. On the second meeting, we made veggie pizza and garlic chicken pizza. We also learned about how to check the ingredients on a food product or restaurant food. The third meeting we split into groups. We had two people making gluten-free egg free pizzas one group making pull apart Christmas tree pizza, one group making candy cane pizza and one making dessert pizza. For the 4th meeting, each member designed and made their own personal pizza. We discussed about how to judge and then judged 2 classes of pizza items – pizza pans and cutting utensils. For the 5th meeting we went to Dominos in Ingersoll. We made our own pizzas and while we waited, we got a tour of the shop. The guy that gave us a tour showed where they store the toppings and dough. We also got to see how the online orders are sent in. When we got the pizzas from the oven, we ate them. We then got into groups to do a scavenger hunt about Pizza items next door at Foodland. Meeting six was really fun; we made brownie dessert pizza, giant pizza pockets and pizza dip. We couldn't get the brownie off the pan, so we all grabbed spoons and dug in. For Achievement Day, we had a sort of potluck - everyone made pizza. We were allowed to bring friends and family. We all played a Kahoot game about Pizza and 4-H in general and then just played around.

That's what the 4-H Mount Elgin club did for our project this time.
