# 4-H Ontario Virtual 4-H Clubs 2020

Thank you to all 4-H volunteers for showing your dedication and enthusiasm in finding ways in which to offer virtual 4-H clubs. The purpose of this list is to provide suggestions and contact information for club leaders on how they are offering 4-H clubs virtually-be it teleconferencing, Skype, Facebook live, or other virtual platforms such as Zoom, GoToMeetings etc. With the generous support of Beef Farmers of Ontario, 4-H Ontario is pleased to announce that funding will be available to local Associations to assist in your delivery of the 4-H program during the suspension of in person activities.

Thinking about leading a club however not sure where to start? Check out the list below for ideas and contact information.
