ROCKWOOD, ON (November 16<sup>th</sup>, 2020) – 4-H Ontario is excited to announce the launch of our brand-new website. We worked with Guelph, Ontario software company Sandbox Software Solutions Inc. to create a multifaceted website for all of our volunteers, participants, visitors and staff to enjoy.

“It has been a real pleasure working with the team at 4-H Ontario to shape and deliver their vision for a new web presence”, said Drew Edwards, a digital project manager with Sandbox Software Solutions. “It’s an important organization doing great work and their new site will help them reach even greater heights”.

4-H Ontario acknowledges and appreciates everyone that helped us in the process of building the website. We are so thankful to have such an amazing group of Webmasters that have volunteered their time to make this possible.
