Project Resource Information:

Written by: Jonathan Giret
Edited by: Elizabeth Johnston, 4-H Ontario
Layout by: Mary-Kathleen Dunn
Cover Photo by: Elizabeth Johnston
Date: September, 2017

Thank you to the 4-H Farm Machinery - Harvesting Advisory Committee members who assisted with the creation of this resource:

James Dyck, P.Eng., Engineer, Crop Systems and Environment, OMAFRA
Ian McDonald, Applied Research Coordinator – Field Crops Unit, OMAFRA
Colin Poole, Chatham-Kent 4-H Association
Bob Weagant, Dundas County

Thank you to those who piloted this project.

Club Leaders – Brenda Bell & Lynn Ward; Club Members – Chris Bell, Kaitlyn Bell, Shae-Lynn Bell, Tanner Bell, Shannon Desjardins, Jaret Parliament; Prince Edward 4-H Association

4-H Ontario grants permission to 4-H Volunteers to photocopy this 4-H project resource for use in their local 4-H program.

All information presented in this Project Resource was accurate at the time of printing.

The development of this project resource was made possible through the support of Canada's Outdoor Farm Show.

RECORD KEEPING – WHY?

Record Books are to document time and money spent, what you have learned, your ideas, memories and what you liked and didn't like. Your Record Book also....

- Helps you set goals for this project
- Has space to record important dates, your elected executive and the names and contact information of your leaders and club members
- Is a great way to get and stay organized

Down the road when you look back on your 4-H projects these books will be able to remind you what you learned so you can use those skills later in life. It will bring back memories of the project, your 4-H friends, your story and thoughts at the time of the project. You will never forget because this book will act as a reminder! It will also be useful at the Achievement Program, when looking at your progress and when reviewing your accomplishments.

How do I organize my materials?

1. Make your records neat and easy to read. This will make it easier to find information later on, and to share your information with others.
2. Use a three ring binder or duotang to hold your materials and divide your information into sections using dividers. This will keep things from becoming lost and will make it easier to find what you need later on. This will also allow you to add extra pages later.

How do I keep good records?

1. Keep track of activities throughout the meetings, as you complete different parts of the project. It's often difficult to remember things that happened in earlier meetings.
2. Make sure the information you write in your Record Book is complete and accurate. If you're not sure about something, ask your leader for help before writing it in your book. You can also consult people in your community or do some research on your own. If you borrow information from someone or someplace else, make sure you write down where you found it.

Remember that this is YOUR Record Book so make it your own! And, remember to bring your Record Book to every meeting!

BASIC INFORMATION

RECORD BOOK FOR 20_____

Name: _____

Address: _____

Name of Parent or Guardian: _____

Age as of January 1: _____ Number of Years in 4-H: _____

List the other 4-H projects you are currently involved in:

Club Name: _____ Association: _____

MEMBER EXPECTATIONS AND GOALS

Why did you join the Farm Machinery - Harvesting club?

What is one goal that you want to achieve in this project?

Do you have any ideas for fun things to do during the project?

Do you have any ideas for an Achievement Program for the Farm Machinery - Harvesting Project? (Keep in mind that an Achievement Program should include the community in some way).

Member Responsibilities

- Be a current paid member of 4-H Ontario
- Attend at least 2/3 of the meeting time allotted for this project
- Complete the Record Book for this project. Bring it with you to each meeting!
- Put your Record Book in a binder or duotang so you don't lose any of the pages.
- Complete any other projects as required by the club leaders.
- Remember the more you put into your 4-H club the more you will get out of it!

ROLL CALLS – IN MY OPINION.....

PROJECT SUMMARY: FARM MACHINERY - HARVESTING PROJECT

A. Member Comments

1. What did you gain from taking this project?

2. Which meeting or topic was the most/least interesting? Why?

a. Most:

b. Least:

3. Comment and/or give suggestions for improvements on the overall project (eg. Activities, tours, achievement program plans, member presentations, special activities, judging information).

4. What interests would you like to explore through future 4-H projects?

B. Parent/Guardian Comments:

C. Leader Comments:

This project has been completed satisfactorily!

Member: _____ Leader: _____

Date: _____ Leader: _____

SAMPLE JUDGING CARD

JUDGING – JUDGING CARD

CRITERIA:

1. Is the item made properly?
2. Does the item serve the purpose for the class it is in?
3. Is it the proper size for its purpose?
4. Does it smell and/or look like it should?
5. _____
6. _____
7. _____

**note: additional requirements can be added to the list specific to the item being judged

Giving Reasons:

I place this class of _____, _____, _____, _____.

I place _____ first because.....

I place _____ over _____ because.....

I place _____ over _____ because.....

I place _____ over _____ because.....

I place _____ 4th because.....

For these reasons, I place this class of _____, _____, _____, _____.

Official Placing _____.

MEETING #1: SAFETY

What hazards can you see in this picture?

EXTRA ACTIVITIES

FARM MACHINERY USED FOR HARVEST MEMORY GAME

Memory games can be a lot of fun! Begin the game with the phrase, “One piece of equipment used for harvesting is.....” and finish the phrase by adding one item. As each person takes a turn they add a new item and then they must repeat, in order, the items other people have added. The items can be real or silly items. When a person makes a mistake, they are out of the game. It will be fun to hear the silly additions and even more fun to find out how many items members will see before the game ends.

Other phrases could include:

“One crop that is harvested in Ontario is.....”

“One piece of safety equipment used during harvesting is.....”

BALL TOSS

This is a review exercise. Have everyone stand up and form a circle so that everyone is facing inwards looking at each other. Toss a foam ball or bean bag to a person and have them tell what they thought was the most interesting fact or idea that was discussed at the meeting relating to the meeting topic. They then toss the ball to someone else and that person explains what they thought was the most interesting fact learned. Continue the exercise until everyone has caught the ball at least once and explained an interesting fact or idea learned at the meeting.
