Applicant Name:

Relationship to Applicant:

Describe the member's effort and initiative over the years in 4-H or in their community. Is the member eager to help?

What leadership ability has the member shown? Have they followed through with what they start?

Does the member take an interest in their work? Are they willing to try new things and complete all exercises?

How do you think the member would do on a Travel Opportunity? Are they mature enough to travel on their own if something happens and they have to deal with a travel delay?

For 4-H Leader only: How has their attendance been? Do they actively participate?

Any final comments?
